Dear University Highlands Families,

Welcome back! I hope you all have had a restful and enjoyable summer break! The staff and I have been back in the building this week unpacking our classrooms and getting set up so we can welcome your children back to school. I have some information to share with you about what to expect next week:

### First Day

## Other Items to Bring

As you know, typical West Coast weather in Burnaby is unpredictable but usually we experience rain and/or snow during the Fall and Winter months. Sometimes it can be cold and very wet. Please ensure that your child comes to school properly dressed for the weather. Unless we experience severe weather conditions, students will go outside to play during recess and lunch, rain, shine, or snow. Please send a change of clothes with your child(ren) so we can promptly address any situation that may arise, allowing your child(ren) to feel cared for and supported.

Students need to bring a fillable water bottle, a small healthy snack, and lunch each day. Please avoid sending in peanuts/nuts as many students have serious allergies.

## Staff Updates

For the 2024-2025 school year, we are excited to welcome to UHE:

**Niki Allcock**..... Learning Support Teacher

**Gabi Hur**..... Intermediate Teacher

We are looking forward to welcoming your child/ren to the 2024-2025 school year. See you on the 3<sup>rd</sup>!
